GRADING

» 50% Homework

» 50% Exam

» Both positive

HOMEWORK

» can be done in pairs

» hand-in via Merge Request [1]

   » for the first homework please send a link to the repository to tmayrhofer.lba@fh-salzburg.ac.at

   » add readme with your names

[1] Assignments without a MR will receive 0 points

THINGS I WILL LOOK AT

» functionality

» naming

» duplications

» function/component length

» commits + commit messages [2]

» code consistency (linting) [3]

[2] please read https://chris.beams.io/posts/git-commit/

[3] linting errors will result in -2 points of 5

WHAT WE'LL DO

» Simple Splitwise clone
