GRADING

» 50% Homework

» 50% Exam

» Both positive

HOMEWORK

» can be done in pairs

» hand-in via Merge Request

   » for the first homework please send a link to the
     repository to tmayrhofer.lba@fh-salzburg.ac.at

   » add readme with your names

THINGS I WILL LOOK AT

» functionality

» naming

» duplications

» function/component length

» commits + commit messages [1]

» code consistency (linting) [2]

[1] please read https://chris.beams.io/posts/git-commit/
[2] linting errors will result in -2 points of 5

WHAT WE'LL DO

» Simple Splitwise clone or own project with similar scope
